

All-purpose for
all seasons

DRYline[®]
WEATHER BARRIER SYSTEMS

DRYline[®]
MP+ Drainage

*An all-purpose building
wrap for all seasons.*

DRYline[®] MP+ Drainage, a building wrap that withstands the toughest conditions.

Manufactured from non-perforated fabrics, DRYline MP+ Drainage protects against vapor intrusion, even in hot and humid weather. So vapor

escapes even if it builds up inside. Plus, with our exclusive BROADCAST[®] Custom Printed Advertising, you can display any custom logo or advertising message on your DRYline wrap — which can be ordered in the industry's smallest quantities.

What Makes DRYline MP+ Drainage Superior?

- **DRAINAGE BARRIER:** Achieves 98% drainage efficiency under the ASTM E2273 Standard Test Method.
- **VALUE:** Offers the most value for strength and performance vs. national competitive brands.
- **STRENGTH:** More durable than the competition, and endures tough jobsite conditions.
- **WATER-RESISTANT:** Compliant with North American water-resistance standards for building construction and may be used with a variety of code-compliant sidings such as fiber cement, wood and stucco.
- **DURABLE:** A better option for demanding jobsites.
- **BREATHABLE:** Reduces the potential for condensation buildup.
- **TRANSLUCENT:** Makes it easy to quickly locate studs, openings, and corners.
- **UV RESISTANT:** With a higher UV exposure rating than other brands, it may be left exposed for up to 180 days.
- **ENERGY-EFFICIENT:** Recognized as an air barrier material for energy efficiency standards.

National Shelter Products: A leader in the industry for over 30 years.

Rely on National Shelter Products for DRYline MP+ Drainage building wrap products in the United States. With “feet on the street” — our localized sales teams across the country — we’re strategically located to service all areas. So wherever your building projects are, we’ll be able to meet and exceed your expectations. Just as we’ve been doing for over 30 years.

WARRANTY INFORMATION

A ten (10) year limited warranty applies to DRYline MP+ Drainage building wrap. To obtain a copy of this warranty, please visit drylinewrap.com. No other warranty, express or implied, is given, including any implied warranty of merchantability or of fitness for a particular purpose.

PRECAUTIONS

Warning: Protect from high heat or other ignition sources during shipment, storage and application.

STORAGE

Protect DRYline building wrap from exposure to direct sunlight during storage. We recommend storage inside or under cover.
