**HAZARD IDENTIFICATION**

USA: This product conforms to the U.S. Occupational Safety and Health Administration (OSHA) Hazard Communication Standard [29 CFR 1910:1200 (b) (6) (V)] and meets the definition of an "Article" pursuant to 29 CFR 1910.1200 (c), "i.e., "... a manufactured item: (I) which is formed to a specific shape or design during manufacture; (II) which has end use function(s) dependent...upon its shape or design...; and (III) which does not release, or otherwise result in exposure to, a hazardous chemical, under normal conditions of use." This product is not subject to the OSHA Hazard Communication Standard requirement.

Canada: This is not a controlled product under WHMIS. This product meets the definition of a "Manufactured Article" and is not subject to the regulations of the Hazardous Products Act. This product is not considered hazardous by the OSHA Hazard Communication Standard (29 CFR 1910.1200) and under WHMIS.

**COMPOSITION/INFORMATION ON INGREDIENTS**

No hazardous ingredients by OSHA and WHMIS criteria. The specific chemical identity and/or exact percentage (concentration) of composition has been withheld as a trade secret.

Disclaimer: This information is furnished without warranty expressed or implied, except that it is accurate to the best knowledge of Jumpstart Manufacturing Services. The data on this sheet relates only to the specific material designated herein. Jumpstart Manufacturing Services assume now legal responsibility for use or reliance upon this data.
